

EXECUTIVE LEADERSHIP OPENING

CHIEF EXECUTIVE OFFICER

The CEO, appointed by WMCMH's Governing Board, leads the organization to fulfill its mission of serving Lake, Mason, and Oceana counties. Key responsibilities include overseeing WMCMH staff, ensuring compliance and recipient rights, supporting the Governing Board, fostering community connections and consumer advocacy, managing CMH affiliations, and actively engaging in mental health advocacy at local, state, and potentially federal levels.

Qualifications:

- Minimum master's degree in a relevant field (e.g., Psychology, Counseling, Social Work, Business Administration, Public Administration).
- Minimum of five years of experience in the mental health field, including at least two years in administration.

We are seeking a visionary leader who shares our passion for behavioral health wellness.
